2. DESIGNATING YOUR BENEFICIARY(IES)

You are not limited to three primary and three contingent beneficiaries. To assign additional beneficiaries, or to designate a more complex beneficiary designation, please attach, sign, and date a separate piece of paper.

When designating beneficiaries, please use whole percentages and be sure that the percentages for each group of beneficiaries total 100%. Your primary beneficiary cannot be your contingent beneficiary. If you designate a trust as a beneficiary, please include the date the trust was created, and the trustee's name.

Unless otherwise specified by your plan, if more than one person is named and no percentages are indicated, payment will be made in equal shares to your primary beneficiary(ies) who survives you. If a percentage is indicated and a primary beneficiary(ies) does not survive you, the percentage of that beneficiary's designated share shall be divided among the surviving primary beneficiary(ies) in proportion to the percentage selected for them.

3. SPOUSAL CONSENT

Spousal Consent: If you are married, your plan requires that you designate your spouse as primary beneficiary for at least 50% of your vested account balance, payable in the form of a preretirement survivor annuity. If you are married and you do not designate your spouse as your primary beneficiary for your account balances as described above, your spouse must sign the Spousal Consent portion of this form in the presence of a notary public or a representative of the plan.

Age 35 Requirement: Your spouse must be the primary beneficiary of your account as described above unless your spouse consents to a different primary beneficiary. If this designation occurs prior to the first day of the plan year in which you attain age 35, this designation is void on the earlier of (a) the first day of the plan year in which you attain age 35, or (b) the date of separation from service. When this designation is voided, your spouse will become the beneficiary for the amount described above. If you wish to designate a different primary beneficiary at that time you will need to complete a new Beneficiary Designation form.

3. SPOUSAL CONSENT

As the spouse of the Participant named above, I understand that, under the terms of the Plan, my spouse's retirement benefits are to be paid to me in the form of a Qualified Joint and Survivor Annuity (QJSA), unless I choose to give up that right. By signing below, I hereby acknowledge that I understand: (1) that the effect of my consent may result in the forfeiture of benefits I would otherwise be entitled to receive upon my spouse's death; (2) that my spouse's waiver of the QJSA is not valid unless I consent to it; (3) that my consent is voluntary, (4) that my consent is irrevocable unless my spouse revokes the waiver to the QJSA; and (5) that my consent (signature) must be witnessed by a notary public or a representative of the Plan.

I understand that if this beneficiary designation is executed prior to the first day of the plan year in which the participant turns 35 that my rights to receive the QJSA benefit as determined by the retirement plan provisions will be restored to me on the earlier of (a) the first day of the plan year in which the participant attains age 35, or (b) the date the participant separates from service with the employer sponsoring the retirement Plan.
