. , *Doctor of Humane Letters (LHD)*

David J. Roux is a trustee emeritus with whom Bowdoin and Maine share deep ties. A generous gift from Roux and his wife, Barbara, made possible the Roux Center for the Environment, which was completed in fall 2018. The Roux Center brings together faculty from across academic disciplines to encourage collaboration and creativity in the teaching and scholarship of the environment and further strengthens Bowdoin's position as a leader in this field of study. Roux's philanthropy and significant impact on Maine is also evident in the launch of the Roux Institute, a collaboration with Northeastern University, and the establishment of The Roux Family Center for Genomics and Computational Biology at Jackson Labs in Bar Harbor, where he served as board chair. He has also served as the lead of the National Biotechnology and Environmental Science Center.

Center for Advanced Studies in Environmental and Earth Sciences (CEEES) at Bowdoin College, where he served as board chair.

HONORS IN MAJOR SUBJECTS

The Departments of Art, Anthropology, Biology, Chemistry, Computer Science, Earth and Oceanographic Science, English, History, Mathematics, Music, Philosophy, Psychology, Romance Languages and Literatures, Sociology, and Theater and Dance and the Biochemistry, Environmental Studies, Gender, Sexuality, and Women's Studies, Latin American, Caribbean, and Latinx Studies, and Neuroscience Programs award only one level of departmental honors. The Department of Religion awards at the High Honors and Honors levels only. Other departments award honors at the levels of Highest Honors, High Honors, and Honors, and the recipients are so designated. Honors project titles below have been edited to conform with Bowdoin style. Official titles of record are on file at Hawthorne-Longfellow Library.

RAISE SONGS TO BOWDOIN

Words by K. C. M. Sills, Class of 1901

New Lyrics by Anthony Antolini '63

Music by C. T. Burnett

Arranged by Thornton W. Allen

Raise songs to Bowdoin, praise her fame,
And sound abroad her glorious name;
To Bowdoin, Bowdoin li your song,
And may the music echo long
O'er whispering pines and campus fair
With sturdy might filling the air.
Bowdoin, om birth, our nurturer and iend
To thee we pledge our love again, again.

While now amid thy halls we stay
And breathe thy spirit day by day,
Oh may we thus full worthy be
To march in that proud company
Of poets, leaders and each one
Who brings thee fame by deeds well done.
Bowdoin, om birth, our nurturer and iend
To thee we pledge our love again, again.
