- Adapting to College Life can be challenging – please describe what it has been like for you to adapt to life at Bowdoin. What do you love? What were you not quite prepared for?
- One goal of Residential Life is to build inclusive communities. How do you anticipate working towards this goal as a member of Residential Life? How do you anticipate being successful and where do you anticipate being challenged in this task?
- Another goal of Residential Life is to build effective teams within the residential life staff. Please talk about a time you were part of an effective team. What made it effective and what role did you play on the team?

Residential Life Job Description

- Create and maintain relationships with both first year and upper class residents
- Provide support to upper class residents, including mediation, conflict resolution, and resources as needed

The Office of Residential Life reserves the right to dismiss a Residential Life staff member whose work or conduct is judged to be unsatisfactory. If your employment is terminated, you will not receive the portion of your compensation for the time you do
