Determining Ideology of FEC Commissioners

Noah Rothman, Class of 2019

The purpose of this project was to create ideology scores for cosionness of the Federal Election Commission (FEC). The FEC is composed to most six commissioners including no more than three from either party, and the Commission votes on legal questions pertaining to finance. Through qualitative and anecdotal evidence entobserver have found an increase in polarization among the committee. Professor Franz and I worked to test this hypothesis quantitatively, determining whether Democrat and Republican to the most state of the Federal Election Commission of the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC) is composed to finance since the Federal Election Commission (FEC). The FEC is composed to finance since the Federal Election Commission (FEC) is composed to finance since the Federal Election Commission (FEC) is composed to finance since the Federal Election Commission (FEC) is composed to finance since the Federal Election Commission (FEC) is composed to finance since the Federal Election Commission (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Federal Election (FEC) is composed to finance since the Fede

Much of the work involved creating a database of votes, which was needed to run the scaling procedure The information for every votes stored on the FEC website, but in a formation ducive to analysis. For each vote, the pertinent information was entereighto a spread shed in total, the data set included approximately 5,000 votes.

The scalingitself wasperformed the gartiste
